

60th Annual Community Bank Executive Conference

January 13-15, 2027

MARKETING & SPONSORSHIP KIT

Presented By: CBI L L C Community Banking Initiatives, LLC

60th Annual Community Bank Executive Conference

January 13 - 15, 2027

Sponsorship Opportunities

Now celebrating its 60th year, the Community Bank Executive Conference is the nation's premier leadership conference for independent community banks with $500 million to $10 billion in assets. Executives from nearly a dozen states gather with one common purpose—to strengthen their institutions and preserve their independence.

Remaining independent requires more than strong financial performance. It demands intentional planning for leadership succession, board succession, shareholder succession, and long-term strategy. Designed exclusively for community bank executives and directors, this conference delivers practical insights from nationally recognized experts and successful bank leaders committed to the future of independent banking.

Equally valuable are the relationships you'll build with fellow CEOs, directors, and industry partners who understand the challenges and opportunities facing independent community banks. The conversations you have here often become tomorrow's strategies and partnerships.

The future of your bank will be shaped by the choices you make today. Join us for this milestone 60th Community Bank Executive Conference and invest in the leadership, relationships, and strategies that will protect your bank's independence for generations to come.

World-class executive education. Meaningful peer connections.
An unforgettable destination.
